

# October Project

## 6th Grade Social Studies-Egypt Project

**DUE DATE: NOVEMBER 2, 2017**

The Egypt project is a wonderful opportunity for your child to take one step further in exploring the many facts of Egyptian culture. The requirements and due dates for this project are listed below. Project Components: Pick an idea from the list "Ideas for your Egypt Project" (or get teacher approval on an original idea) and research it.

### **You will be required to do the following:**

- *A visual display*: possibilities include a model, poster, display board, diorama, etc. Be creative!
- *A written paper* between 1-2 pages about your display. You may use this as part of your presentation..

### *Ideas for Your Egypt Project:*

- The Pyramids
- Pharaohs
- The Israelites in Egypt
- Mummies and the Mummification process
- The Gods and Goddesses of Ancient Egypt
  - Egyptian Inventions
  - Papyrus and Writing
- The Religious beliefs of the Ancient Egyptians
  - The Nile River
  - Egyptian Geography
- An original idea of your own (needs to be approved by your teacher)

NOTE: All projects and reports must be turned in on the date due to receive full credit. All late projects/reports will be lowered one full letter grade for each day late.

We will be presenting our projects in class on November 2<sup>nd</sup> to the other sixth grade classes and grades in the school.
