

COUNTRY PRESENTATION MONTHLY PROJECT

This month's project will be a Google Presentation and will be on a given country in the world. Remember to share it with me. :)

A terrific website that is full of information is called CultureGrams. Go to nebo.edu and click on "students" then "research (pioneer)." You will then be taken to the Pioneer website where you can login from home using the username: pioneer and the password: explore. Under the "General Reference Collection" column, click on the link "CultureGrams" to find all the information you need on your country.

Visual aids, such as any souvenirs or food items (store bought), are highly encouraged. This presentation is due by the last school day of the month.
