

Moon Calendar

Monthly Project

For this month's project, you will record your daily moon observations on a calendar I will give you. Remember to record the phase, date, and time. Your second task is to fill out the three questions and then graph your moon phase data.

For each week your project is past due, one letter grade will be deducted.

Moon Calendar Rubric: /55 points

- /30 Moon drawings completely and accurately filled out.
- /10 Date and time moon observed filled out.
- /10 Moon phase filled out. Use two or three letter code in corner of each calendar box. (NM~New Moon, WC~Waxing Crescent, FQ~First Quarter, WG~Waxing Gibbous, FM~Full Moon, WNG~Waning Gibbous, LQ~Last Quarter, WNC~Waning Crescent)
